Professional Summary

Motivated and detail-oriented **Project & Training Coordinator** with hands-on experience in project administration, training delivery, scheduling, reporting, stakeholder communication, and community engagement across on-site and remote programs. Proven ability to manage multiple priorities, maintain organized workflows, support teams, and ensure smooth project execution in fast-paced environments. Experienced in educational technology, programming instruction, AI and data fundamentals, and community-based initiatives. Proficient in Microsoft Office, Google Workspace, Excel, Google Sheets, Zoom, MS Teams, Jupyter Notebook, PyCharm, NumPy, Pandas, and Scikit-Learn.

Key Achievements

- Coordinated **3+ concurrent training programs** remotely and supported on-time delivery.
- Served as the main on-site coordinator for the **MCIT Digital Egypt Cubs Initiative** in Sohag.
- Delivered Python programming training to **50+ students** with structured exercises and one-on-one mentoring.
- Supported **50+ learners** as a CS50 Facilitator in Arabic.
- Maintained attendance tracking, documentation, and follow-up records across multiple programs and events.

Work Experience

Project Coordinator (Part-Time) *EYouth – Digital Egypt Cubs Initiative* **May 2026 – Present**
Sohag, Egypt

- Serve as the main on-site coordinator for EYouth at Sobha El Khair venue, overseeing daily operations for the Ministry of Communications and Information Technology (MCIT) Digital Egypt Cubs Initiative.
- Manage full training logistics including room preparation, equipment setup, and verification of tools and technical requirements before each session.
- Track and maintain attendance and absence records daily while ensuring smooth training operations and timely issue resolution.
- Coordinate between trainers, participants, and management to keep sessions organized and on schedule.

Project Coordinator (Remote) *EYouth – Link to Your Dream Job* **Jan 2025 – Aug 2025**
Remote

- Tracked milestones for **3+ concurrent programs** and generated progress reports for management decision-making.
- Coordinated schedules, communications, and operational follow-up across departments in a fast-paced remote environment.
- Maintained organized documentation and supported smooth project delivery.

Training Coordinator *Career 180 & NTI* **Mar 2026**
Creativa Hub Sohag, Egypt

- Coordinated on-site training sessions for the Web Designer track across multiple events.
- Managed session setup, attendance tracking, logistics, and participant coordination.
- Supported communication between trainers, participants, and organizing teams.

Online Programming Instructor *Special Course* **Apr 2024 – Dec 2024**
Remote

- Delivered Python programming courses online to **50+ students**, covering fundamentals, data types, functions, loops, and OOP.
- Designed practical exercises, labs, and assessments to reinforce learning outcomes and engagement.
- Provided one-on-one mentoring sessions to support student progress, confidence, and problem-solving.
- Adapted explanations to different learner levels to make technical concepts easier to understand.

Library Assistant *El Daheeh Library*

May 2025 – Jul 2025

El Monshaa, Sohag, Egypt

- Handled customer support, printing services, document preparation, and daily sales operations.
- Managed financial transactions and performed basic bookkeeping and accounting tasks.
- Performed data entry and maintained accurate records using Microsoft Excel.
- Assisted customers efficiently while ensuring an organized and productive workflow.

Student Coordinator (Online) *Abwaab Egypt*

Jan 2021 – Jul 2021

Remote

- Confirmed student registrations and supported onboarding for online learning programs.
- Resolved platform and subscription issues while maintaining detailed engagement records.
- Maintained accurate records of student engagement, follow-ups, and issue resolution outcomes.
